Recommendation for Michael Schepker

TO WHOM IT MAY CONCERN:

It is my pleasure to write this letter of recommendation. It is without reservation I recommend Michael Schepker for a teaching position. I was impressed with Michael from our first meeting and continued to be impressed with each observation. Michael is extremely talented and exhibits a passion for Education, which is contagious in his teaching. During his Student Teaching Experience I had the opportunity to observe Michael's unique teaching skills. Michael is highly competent in content/subject knowledge, grade appropriate teaching skills, and displays a very effective teaching style. He demonstrated a thorough knowledge of preparation, planning, and organization. He develops grade level appropriate lesson plans utilizing anticipatory set and measurable objectives. Michael has excellent classroom management skills implementing positive behavior modification and positive reinforcement. He is enthusiastic, dedicated, creative, and demonstrates initiative. He displays maturity beyond his age and experience.

I believe Michael will be a positive influence in any school and I highly recommend him for a teaching position.

Sincerely,
